*Friends For Life Animal Haven started in 1993 as a 501c(3) nonprofit organization run entirely by volunteers and we are dedicated to no more homeless pets. ALL of our animals are in foster homes and preparing to become a member of your family!*

## Prices!

As pricing has increased so has the cost of getting that purr-fect family member ready too. Beginning in April 2024 we changed our adoption fee to \$125 for all adoptable cats. We tried to keep our adoption fee as low as possible and barely over what it cost for our medical: spay/neuter, testing for feline diseases, deworming, flea treatment, vaccinations including rabies if they're old enough. This cost often does not include food and many of our foster homes have chosen to bear that cost on their own.

It seems everyone has been struggling to balance every day life and we are no different. There are no plans to make another increase in the near future and there definitely will be no change to our medical procedures. We feel those procedures are in the best interest of the animal and ensures a healthier family member!
